

Akash Lakhotia is a Senior Accountant at BDO Canada and has over 3 years of experience in providing Tax, Accounting, Governance and Technology related advisory to small businesses in Canada. His area of expertise is in the tax planning and advising cost-saving opportunities for clients in real estate, restaurant chains, manufacturing, and medical services.

Akash passed the Common Final Examination in September 2018 and received the CPA, CA designation soon after. He passed the Indian CA exams in May 2016 and is a national rank holder in Company Secretaries (CS) exams. He also holds a Diploma in IFRS (ACCA), a Global Business Management Certificate (Humber College), and is a Bachelor of Commerce with a specialization in Advanced Accounting and Auditing. Many of his articles have been published in different publications by ICAI and ICSI and has also delivered a presentation in the National convention of CA students in India.

Akash joined the Toronto Chapter of ICAI in 2017, and since then has contributed to various events. He is part of the editing team of the Annual Magazine published by the Chapter since 2018 and is also part of the Chapter's cricket team.

Suma Mullangi works for Association of Municipalities of Ontario, a not-for-profit organization representing Ontario's municipal governments.
